

Attendance Policy - Sturry

Reviewed December 2022

The Stour Academy Trust

As the sponsor school of the Stour Academy Trust, we promote collaboration in order to continue the growth and development of God's children. We are driven by our commitment to the well-being and education of all, enabling us to flourish and become life-long learners.

Through the miracle of Jesus feeding the 5000, we trust that sharing all we have, will provide for all through the power of God's love.

This has been adapted to help the children understand our Christian vision;

We work together and share the best of ourselves to help everyone around us flourish in every way to become life-long learners. Through the miracle of Jesus feeding the 5000, we trust that sharing all we have will provide for all through the power of God's love.

Sturry CE Primary School is a distinctively Christian school so the story and values of our Christian faith have an impact on all our relationships and how we view our policies. Recognising that God wants us all to live life in all its fullness we are concerned that all children are enabled to flourish at school and to achieve their potential socially, emotionally, spiritually and academically. We approach this policy with a caring and listening attitude, recognising that parents and carers may be reluctant to express their concerns and their circumstances, which may impact on their children's absences from school. We will try to be creative in supporting and encouraging parents and carers in enabling their children to attend school.

Trust Vision

We are:

A Multi Academy Trust at the forefront of providing a 21st century education for children.

We have a vision for education that gives children the necessary skills to thrive in our modern, 21st century world.

Our pedagogical model combined with the intentional deployment of technology will help us deliver personalised learning. Through the innovative use of digital technology we will create a level playing field for all children, irrespective of their language skills, reading ability or any other factors that may present learning challenges.

Technology will accelerate our progress but will not be the driver of our vision. We will develop both the cognitive and social-emotional skills necessary for children to succeed in their personal and professional lives.

There will be no barriers to achievement within our learning community and our teachers will build strong relationships that facilitate the learning of others. Traditional classrooms will evolve to allow the vision to be fully embraced. Our enabling environments will be child-centred and designed to allow for flexibility, collaboration and independence. The aim is to shape our environment to better reflect a 21st century workspace that promotes social interaction, communication and self-regulation.

Trust Values

We are:

- Collaborative
- Nurturing
- Inclusive
- Ambitious
- Innovative

Policy Aims

The Stour Academy Trust is committed to the continuous raising of achievement of all our pupils. Regular attendance is critical if our pupils are to be successful and benefit from the opportunities for learning presented to them. There is a clear connection between low attendance causing detrimental impact on pupils performance, achievement, friendships and self-esteem.

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

Attendance Key Information

It is a legal obligation to keep an accurate attendance register which identifies all pupils as either:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Pupils become of Statutory School Age on the 1st September, 1st January or 1st April after their 5th Birthday. Pupils are no longer of Statutory School Age on the last Friday in June of the Academic Year in which they turn 16 years old.

Types of Absence

Unplanned medical absence

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

This should be evidenced in a copy of the appointment booking.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Lateness and punctuality

It is imperative that all pupils arrived on time to ensure they can take part in lesson input to give them core information for the day of learning ahead. The School day begins at 8.45am

Registration closes at: 9am

Any child who arrives between 9.00-9.30am will be coded as L Any

child who arrives after 9.30am will be coded as U

Term time absence

All absence that is not classed as one of the above will be classed as a term time absence e.g. holiday, family bereavement. These absences will be classed as unauthorised unless granted for exceptional circumstances such as:

- Absence for a bereavement of a close family member is usually considered an exceptional circumstance but for the funeral service only, but not usually for extended leave.
- Absences for important religious observances are often taken into account for the ceremony and travelling time, but not for extended leave. This is intended for one off situations rather than regular or recurring events.
- Absences to visit family members are not normally granted during term time if they could be scheduled for holiday periods or outside school hours. Children may however need time to visit seriously ill relatives and the school will authorise compassionate leave, up to a maximum of three days.
- Failure by local Authority to provide transport

Persistent absences

Persistent unauthorised absence (10% or more of the school year) may be a cause for concern and may result in a referral to the Local Authority School Liaison Officer. In some cases the School Liaison Officer may even consider prosecution. The school will follow procedures prior to referral and parents will be notified in writing.

Children Missing in Education

It is important that no child should be removed from the school roll without consultation between the Stour Academy Trust, Head Teacher of the Academy, School Attendance Officer and the Inclusion and Attendance Service when appropriate.

Where a child is missing from education, Local Authority Guidance will be followed, by complete a Child Missing Education referral for the following circumstances:

- a) If the whereabouts of the child is unknown and the school have failed to located him/her
- b) The family has notified the school that they are leaving the area but no Common Transfer Form (pupil file) has been requested by another school.

Legal Sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police. The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:
